BOUMS MULTINATIONAL CONCEPTS LTD.

COMPANY PROFILE

ABOUT US

BOUMS MULTINATIONAL CONCEPTS is a construction company based in Abuja, Edo State, and Lagos, Nigeria.

Comprising a diverse team of experienced engineers, architects, and innovators, both seasoned professionals and fresh talents, we are committed to continually seeking innovative ways to enhance and diversify our construction services.

We take great pride in our profound expertise in General Contracting and Architectural Design. Whether it's a Government or Private Project, we are well-equipped to handle every aspect from initial design to flawless execution.

OUR **ADVANTAGE**

One of our distinct advantages is our extensive network of sister companies and advanced manufacturing capabilities.

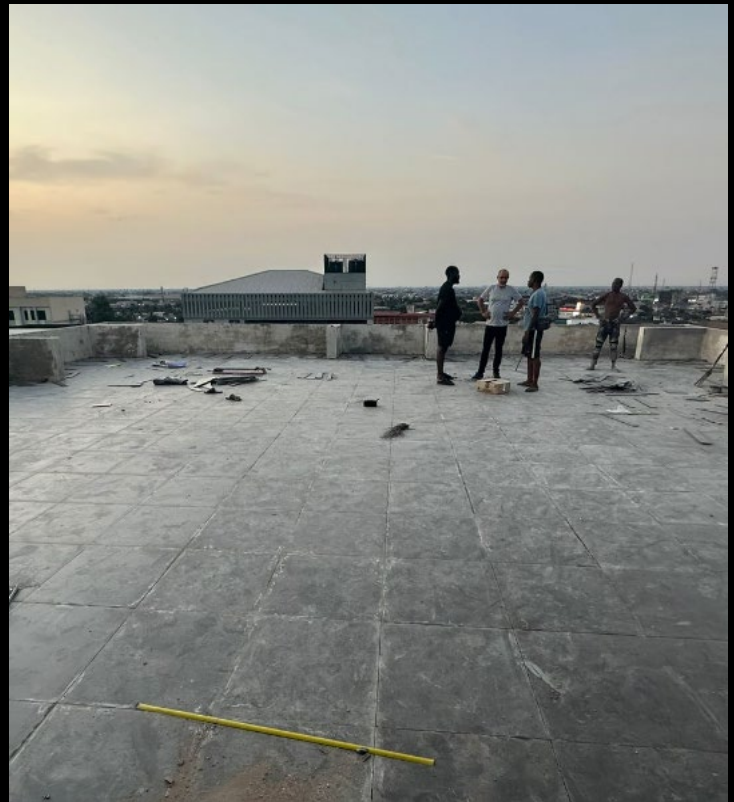

Our in-house GRC/GRP Factory enables us to craft custom shapes and items for Claddings, Furniture, and Decorative Elements.

Additionally, our Aluminum factory ensures swift fabrication and installation of Windows, Doors, and Claddings for an efficient and streamlined process.

Our group also includes Facility Management and MEP Expert companies that support our works in all our projects.
